Property Hub is where Passion, Professionalism and Properties converge. Started in 2010, we continue to brand ourselves as an agency servicing high-end residential properties in and around Kuala Lumpur. Over the years we have managed and continue to serve a pool of satisfied clients that consist of mainly high net worth individuals from both corporate and professional fields that demands high degree of professionalism and integrity.

To maintain the high level of professionalism and integrity in the real estate industry, we believe it starts from within us. In Property Hub, we have formulated a very systematically structured programme to continuously educate our negotiators of different level of competence. Our negotiators undergo multiple education programmes and frequent dedicated-mentoring sessions. We groom them toward the utmost professionalism in servicing our clients.

With our corporate setup that includes complete office facilities and various supporting departments, we have successfully provided a total business-solution to our negotiators so that they need only to focus in meeting our clients' needs in a hassle-free manner.

Coupled with a clearly defined career path, office-culture and social development programmes, we have developed a strong and closely knitted team of negotiators that works together passionately towards a common goal, success!
